

EUROBIOTECH 2017 IN FIGURES

450 PARTICIPANTS

22 COUNTRIES

Belgium

Japan

Latvia

Turkey

Ukraine

Canada

Israel

Lithuania

Spain

USA

China

Irland

Moldova

Slovakia

Czech
Republic

Iran

Netherlands

Serbia

Germany

Great Britain

Poland

Romania

**80 %
Polish**

**20 %
Foreign**

GOLD SPONSORS

sartorius

sartorius stedim
biotech

polpharma
biologics

SILVER SPONSORS

Science For A Better Life

AgroBioTop

BRONZE SPONSORS

PARTNERS

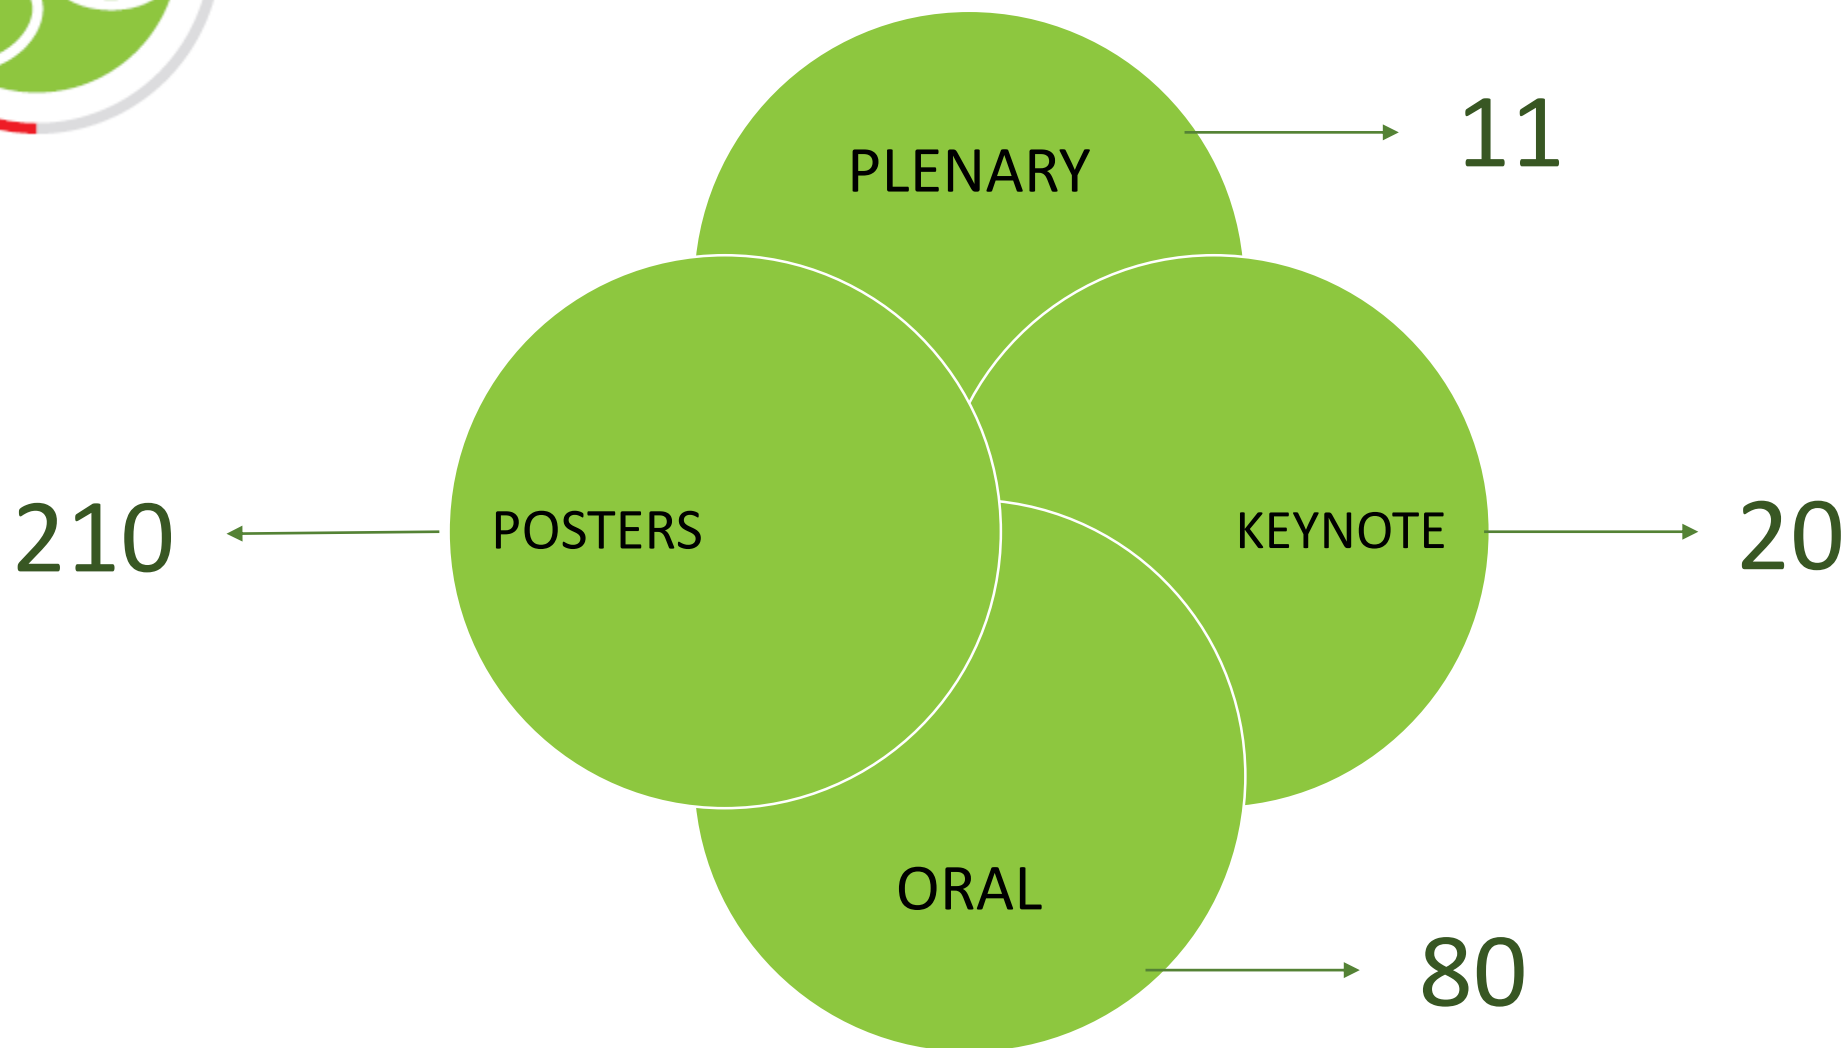

The National Centre
for Research and Development

SCIENTIFIC PRETENSTATIONS

Best Poster Awards

6th Central European Congress of Life Sciences Eurobiotech

**Karolina
Pierzynowska**

Improvement in behavior and biochemical parameters in the streptozotocin-induced rat model of Alzheimer disease treated with genistein

Dan Kučera

Strategies to improve the yield of PHAs produced from wood material

Olga Mucha

Searching for the right tool for heme oxygenase-1 inhibition - the comparison of small-molecule inhibitors, shRNA and CRISPR/Cas9 system

Best Students Presentations

6th Central European Congress of Life Sciences Eurobiotech 2017

**Paulina
Santus**

The model of
intragenic
homologous
recombination in
mouse embryonic
stem cells

**Patrycja
Jakubek**

The impact of
processing on
human milk
microRNA
composition

**Małgorzata
Janik**

Polymeric
nanocapsules
with oil cores as
drug delivery
systems
